Re: Letter of Reference

To: Whom It May Concern

Sand Court Experts was contracted to complete a four court beach volleyball complex on the Montverde Academy grounds. We tasked them to complete the project in just two months to start off the 2016 calendar year.

The project was completed on time per their predictions and was on budget. The Sand Court Experts gave good recommendations to make sure the area was to last a long time. It was a great accomplishment for Montverde Academy and Sand Court Experts to complete this project and be proud and honored to know that we are the first High School to have a beach volleyball complex on school property.

We recommend Sand Court Experts for your beach volleyball complex needs.
