

To Whom It May Concern:

I'm pleased to provide this letter of recommendation for Sand Court Experts, as it relates to their involvement in the University of North Florida Beach Volleyball Facility project. I had the pleasure of working with Butch, Mark and their team from the conceptual process through construction of our facility. Their extensive knowledge of the beach volleyball industry, quality of workmanship, vendor relationships, competitive pricing and innovative equipment have proven to be an immense value to our project.

Sand Court Experts and their team demonstrated dedication to completing our project in a timely, professional manner, while working within our budget. I would be happy to recommend Sand Court Experts for any future projects.

Sincerely,

A handwritten signature in blue ink that reads "Wm. Lee Moon, Sr." with a stylized flourish at the end.

Wm. Lee Moon, Sr.
